These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of bids, unless otherwise specified in Section III, Evaluation and Qualification Criteria. For this procurement, The Margin of Preference on Price offered will be applied to the qualifying Bidders in accordance with the Code of Good Practice on Preference, **Annexure 6**, issued by the Ministry of Finance and Public Enterprises through the Procurement Policy Unit (PPU).

If a bidder qualifies for margins of preferences on more than one basis, all such margins of preferences must be granted to the bidder and the bid price shall be reduced with the amount determined in accordance with the formula below for the price evaluation purposes.

$$\frac{A=MP \times BP}{100}$$

in which formula

- (a) "A" represents the amount to be determined;

If a bidder qualifies for margins of preferences on more than one basis, all such preferences must be granted to the bidder but not more than 10%. For evaluation purposes only, the bid price will then be reduced with the amount determined following the above formula.**

**The procurement contract will be awarded to the bidder that will be found to have submitted the lowest evaluated bid after the application of the Code of Good Practice.**
